10	I really appreciated the raw data. I am concerned with her take that parents are going to need to accept sexting among 12 year olds, at least that was my perception of what she was explaining, though I understand the complexity of dealing with the vast amount of instances that occur.	5/14/2019 8:26 AM
11	Great info and the data was surprising	5/14/2019 8:07 AM
12	n/a	5/14/2019 7:52 AM
13	It would be helpful to have access to the PowerPoint for note taking purposes, as there was a lot of good material that I might have missed	5/14/2019 7:46 AM
14	Made me realize kids don't even know a time when there were no cell phones.	5/14/2019 7:17 AM
15	I thought it was helpful to hear that kids prefer to report bullying issues to other peers. I also can identify with the Gateway Behaviors.	5/13/2019 11:41 PM
16	There were no materials or activities.	5/13/2019 5:51 PM
17	None	5/13/2019 5:35 PM
18	I'm glad she told us at the beginning that she is a researcher and she is data driven. She gave a lot of data and it was interesting.	5/13/2019 5:05 PM
19	Great information! I hope to reach out to MARC to set up a student and/or staff presentation in the future.	5/13/2019 3:25 PM
20	The information from this presentation will help to inform how we work with teachers on prevention	5/13/2019 2:50 PM
